BEYOND BRANDS, A STYLE

2026

A NEW WAY OF SEEING

UN NUOVO MODO DI VEDERE

UNE NOUVELLE MANIERE DE REGARDER

*"It's time to look differently.
To see beyond appearances.
To redefine luxury: authentic, understated, sustainable.
At Sabrina Régé Turo, every frame is a statement of elegance and meaning.
No flashy logos. No fleeting trends.
Only the purity of lines, the balance of shapes, and the truth of materials."*

*"È tempo di guardare con occhi diversi. Di vedere oltre le apparenze.
Di ridefinire il lusso: autentico, discreto, sostenibile.
Per Sabrina Régé Turo ogni montatura è un'affermazione di eleganza e significato.
Nessun logo appariscente. Nessuna tendenza passeggera.
Solo la purezza delle linee, l'equilibrio delle forme e la verità dei materiali."*

*"Il est temps de regarder autrement.
De voir au-delà de l'apparence.
De redéfinir le luxe: authentique, sobre, durable.
Chez Sabrina Régé Turo, chaque monture est une déclaration d'élégance et de sens.
Pas de logos tapageurs. Pas d'effets de mode.
Seulement la pureté des lignes, l'équilibre des formes et la vérité des matériaux."*

A CREATOR OF THE WORLD

French by birth, educated in Miami, and based in Florence for over twenty years, Sabrina Régé Turo brings a unique aesthetic: refined, feminine, and contemporary, where French precision meets American boldness and Italian grace. Her eyewear is a form of identity: created to reveal personality, never to mask it.

UNA CREATIVA DAL RESPIRO INTERNAZIONALE

Francese di origine, formata a Miami, Sabrina Régé Turo vive a Firenze da oltre vent'anni. Da questo intreccio di radici nasce un'estetica unica: raffinata, femminile e contemporanea, in cui il rigore francese incontra l'audacia americana e l'eleganza italiana. Le sue montature sono oggetti identitari, pensati per rivelare la personalità e mai per nasconderla.

UNE CRÉATRICE DU MONDE

Française d'origine, formée aux États-Unis à Miami, Sabrina Régé Turo vit à Florence depuis plus de vingt ans. De ces racines croisées est née une esthétique unique: raffinée, féminine, contemporaine, entre rigueur française, audace américaine et élégance italienne. Ses lunettes sont des objets d'identité, pensées pour révéler la personnalité sans jamais la masquer.

THE ART OF QUIET LUXURY

Here, luxury isn't about show.

It's in the quality of natural acetate, the lightness of sculpted metal, the clarity of a deliberate gesture.

Each frame is **made in Italy**, with respect for craftsmanship and the environment.

L'ARTE DI UN LUSO DISCRETO

Qui il lusso non è ostentazione.

Si trova nella qualità dell'acetato naturale, nella leggerezza di un metallo cesellato, nella trasparenza di un gesto misurato.

Ogni montatura è **realizzata in Italia**, nel rispetto del saper fare e dell'ambiente.

LA SIMPLICITÉ D'UN GESTE MAÎTRISÉ

Ici, le luxe n'est pas une démonstration.

Il est dans la qualité d'un acétate naturel, la légèreté d'un métal ciselé, la transparence d'un geste maîtrisé.

Chaque monture est **fabriquée en Italie**, dans le respect des savoir-faire et de l'environnement.

DESIGN THAT BREATHE

Clean lines. Subtle tones. Unexpected hues.

The designer explores delicate contrasts, soft or matte shades, satin finishes.

It's a vision of luxury that speaks to the essence, not the excess.

UN DESIGN CHE RESPIRA

Le linee sono pulite, le tonalità raffinate, a volte inaspettate.

La designer osa accostamenti delicati, colori opachi o cipriati, finiture satinare.

Una visione del lusso intimo, pensato per chi cerca l'essenziale, non l'eccesso.

UN DESIGN QUI RESPIRE L'HARMONIE

Les lignes sont pures, les couleurs subtiles, parfois inattendues.

La créatrice ose des associations délicates, des teintes douces ou affirmées, sublimées par des finitions mates, satinées ou brillantes. C'est une vision du luxe qui parle à l'intime, à celles et ceux qui cherchent l'essentiel, pas le superflu.

Un monde que l'on voit mieux, parce qu'on l'a pensé autrement.

A COMMITMENT TO ETHICS AND CRAFTSMANSHIP

Make less, but make better.

Create durable, repairable, traceable eyewear.
Favor short supply chains, responsible materials,
and mindful artisanship.

UN IMPEGNO ETICO

Produrre meno, ma meglio.

Creare occhiali durevoli, riparabili, tracciabili.
Favorire filiere corte, materiali responsabili e artigianato
consapevole.

UN ENGAGEMENT ÉTHIQUE ET UN ARTISANANT

Produire peu, mais produire bien.

Créer des lunettes durables, réparables, traçables.
Privilégier les circuits courts, les matériaux responsables,
l'artisanat engagé.
